The meeting was called to order by Chairperson Held at 7:15 PM.

1. DeAnn Schenkel – 83 South Street – Door Replacement/Fence

Present: DeAnn Schenkel

Application: Submitted and date stamped 5/22/03. Building inspector approved 5/27/03.

Discussion: Mrs. Schenkel stated that the barn doors are severely deteriorated and unable to be repaired. The tracking system supporting the doors is also in need of replacement. She stated further that she has received several quotes for door repairs/replacement and that wood doors are too costly. She would like to install steel doors. The Board stated that they are not allowed to provide a decision based on cost, however, would contact a local contractor to determine the repairability of the doors. The application is *held open* pending an assessment letter from the contractor.

There being no further business, the meeting was adjourned at 8:15 PM.
